[Doc. No. 16245, 43 FR 60792, Dec. 28, 1978, as amended by Amdt. 107-5, 54 FR 28765, July 7, 1989]

### § 107.11 Amendment of security program by FAA.

(a) The Administrator or Director of Civil Aviation Security may amend an approved security program for an airport, if it is determined that safety and the public interest require the amendment.

(b) Except in an emergency as provided in paragraph (f) of this section, when the Administrator or the Director of Civil Aviation Security proposes to amend a security program, a notice of the proposed amendment is issued to the airport operator, in writing, fixing a period of not less than 30 days within which the airport operator may submit written information, views, and arguments on the amendment. After considering all relevant material, including that submitted by the airport operator, the Administrator or the Director of Civil Aviation Security either rescinds the notice or notifies the airport operator in writing of any amendment adopted, specifying an effective date not less than 30 days after receipt of the notice of amendment by the airport operator.

(c) After receipt of a notice of amendment from a Director of Civil Aviation Security, the airport operator may petition the Administrator to reconsider the amendment. A petition for reconsideration must be filed with the Director of Civil Aviation Security. Except in an emergency as provided in paragraph (f) of this section, a petition for reconsideration stays the amendment until the Administrator takes final action on the petition.

(d) Upon receipt of a petition for reconsideration, the Director of Civil Aviation Security reconsiders the amendment and either rescinds or modifies the amendment or transmits the petition, together with any pertinent information, to the Administrator for consideration.

(e) After review of a petition for reconsideration, the Administrator disposes of the petition by directing the Director of Civil Aviation Security to rescind the notice of amendment or to issue the amendment as proposed or in modified form.

(f) If the Administrator or the Director of Civil Aviation Security finds that there is an emergency requiring immediate action that makes the procedure in paragraph (b) of this section impracticable or contrary to the public interest, an amendment may be issued effective without stay on the date the airport operator receives notice of it. In such a case, the Administrator or the Director of Civil Aviation Security incorporates in the notice of the amendment the finding, including a brief statement of the reasons for the emergency and the need for emergency action.
